MEMBERSHIP CATEGORIES

This type of membership offers three categories:

Platinum: Recommended for larger corporates operating countrywide with, perhaps, ties abroad. (20+ offices or outlets).

Gold: Recommended for medium-sized corporates operating in the major regional centres. (10-20 offices or outlets).

Silver: Recommended for smaller corporations operating locally. (<10 offices or outlets).

STRUCTURED FEE SCALE

BENEFITS OF AFFILIATE MEMBERSHIP

IMIESA journal

This is the official journal published monthly by 3S Media. This prestigious technical journal has a circulation of +4 000 and has won a number of awards, including the SAPPI-PICA Award and other Mondi Awards.

Citings and Editorials

A citing is an editorial compiled by *IMIESA's* editorial staff, and is valued at least twice that of a paid advertorial of the same size.

The following are offered to Affiliates:

MEMBER CATEGORY	EXPOSURE
Platinum:	3 citings a year
Gold:	2 citings a year
Silver:	1 citing a year

Note: Company logos are omitted in editorials and citings as this type of advertising will lead to the editorial/citing losing its value.

In order to retain editorial integrity, Affiliates will be entitled to expect exposure on this basis, which provides 'clean exposure' in that it is not paid for. New appointments, contracts or important projects will receive attention.

Discount on Advertising

All affiliate members will automatically receive Most Valued Client status with 3S Media, meaning that advertisement positions are prioritised.

In addition to this, 3S Media offers a 10% discount on all advertisements on submission of publishable technical material by Affiliate Members. The 10% discount is also applicable to other advertorial products such as inserts and inside cover positions of the journal.

Free Copies

Affiliate members will receive free copies of the *IMIESA* journal as follows:

Platinum: 1 copy per office/outlet point, to a maximum of 15 copies

Gold: 1 copy per office/outlet point, to a maximum of 10 copies

Silver: 1 copy per office/outlet point, to a maximum of 5 copies.

Affiliate Showcase

This is a dedicated full page in each issue of the journal magazine identifying Affiliate Members. Their logos are presented in colour and they are listed as well.

ANNUAL CONFERENCES

Sponsorship at Conference

Affiliate members are offered "First refusal right" to sponsorships at the annual IMESA conference. The conference organising committee/professional organisers will contact all Affiliates before seeking sponsorships from the rest of the industry.

Stall Cost at Conference

Discount on stall cost at the conference:

Platinum: 10%

Gold: 7.5%

Silver: 5%

IMESA WEBSITE

The IMESA website is dynamic and is the main communication medium used by IMESA.

Advertising on IMESA Website

Regarding advertising benefits on IMESA's web page, this will depend on the form that the advertisement takes and the exposure value obtained.

Web Exposure

IMESA Affiliates also receive exposure on the web, as their logos are presented on the Affiliate Membership sub-site.

CERTIFICATE

IMESA will supply a certificate for Affiliates for their head offices. This certificate will detail the member's status as an Affiliate Member of IMESA. Additional free certificates will be supplied (one for each office) of the Affiliate.

STATIONERY

Affiliates will have permission to use the IMESA logo with the subscript "Affiliate Member", on their letterheads and other corporate ware.
