

BRONZE

Colas

The road forward

Colas in South Africa is a nationwide supplier and applicator of binders, including bitumen emulsions, modified bitumen, bitumen rubber and cut backs. We also operate in Namibia, Zambia, Kenya, Uganda and Mozambique, which are all focused on the supply, logistics and application of binders. We have major emulsion and modified binder plants in Cape Town, Johannesburg and Durban. We have depots in Port Elizabeth, East London, Bloemfontein and Hectorspruit, giving us a true nationwide coverage. Through our core values of Safety, Ubuntu, Quality, Continuous Innovation and Customer Focus, we strive to live up to our vision of being the safest and the preferred company in the South African Road Surfacing Market.
